In fast-paced litigation and regulatory investigations, corporations and their outside counsel can struggle to staff reviews with qualified legal professionals. Consilio maintains a team of expert recruiters who excel at securing the talent necessary to help clients conquer their most pressing review challenges.

Consilio's pool of skilled legal professionals have proven experience performing document review, ranging from simple responsiveness coding to complex and specialized decision-making. Our global reach enables our clients to quickly staff any project with qualified, multilingual reviewers for complex reviews. With this service, clients can:

CONSILIO'S STAFFING SERVICE OFFERS:

Global Network of
Legal Professionals

Consilio Expert
Recruiter

- Leverage Consilio expert recruiters.** Our clients consistently rely on the deep experience and local market expertise of our expert recruiters. Located in key global markets, Consilio's team of veteran recruiters has a track record of staffing specialized review resources in as little as 24 hours.
- Start reviews quickly with a talented team—without sacrificing quality.** Our Staffing service helps clients avoid the stress and costs of hiring an unproductive review team. Consilio maintains a global network of thousands of legal professionals with native fluency in more than 30 languages and experience across varied matter types and industries.
- Choose their review site.** A review team can report to the client site or to the outside counsel's office, depending on the client's preference.

The right talent at the right time.

A global law firm faced a crisis after one of its usual providers was unable to meet its unique requirements to staff a document review project. In mid-stream, the law firm turned to Consilio to request qualified reviewers for a Foreign Corrupt Practices Act (FCPA) matter.

Consilio responded by successfully providing the resources needed—10 bilingual English and Mandarin lawyers with experience using Relativity—in only three days.
