The Consilio Advantage

Our Partnership. We know that your project's success hinges upon open communication, dedicated, around-the-clock support and clearly defined workflows. Our global project management team is well-versed in production requirements for complex litigation, as well as government and internal investigations. We stand ready to assist you with your toughest challenges, wherever and whenever you need us.

Our Global Service. We understand unique data statutory and privacy concerns across the globe, so no matter where your matter originates we can handle it. We have offices in 21 locations worldwide and data centers in Germany, Hong Kong, Japan, France, the U.K., and the U.S.

Our Ability to Unravel Complexity. eDiscovery projects that start simply can grow in size, scope, and complexity. Our teams leverage significant experience managing expanding projects and work seamlessly internally and in partnership with you to support your projects as they mature.

Our Pricing Flexibility. Our innovative pricing models will help you stay within budget whether you choose our services a la carte or bundle them with our unique V3locity® offering.

CASE STUDY:

Global Investigation - A La Carte Model

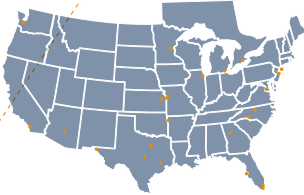

- Supported a multinational company with a global investigation, collecting data from nine countries in 24 languages.
- Supported two concurrent investigations across 12 time zones.
- Supported three law firms, two accounting firms and ultimately the multinational corporation.
- Created three data centers in Europe and Asia used by four investigative entities; data consolidated into a single data center.
- Processed millions of documents.
- Our approach ultimately saved the client millions in potential fines.

Our Services

Consilio partners with you to determine the best tools to support your eDiscovery needs. These services are available a la carte or as part of our V3locity offering, where Consilio manages the entire end-to-end eDiscovery process, and you only pay for the documents sent to review.

Where we are:

North America
