Boost your legal team with flexible talent

Add extra capacity or bring in expertise with our versatile and talented legal professionals. Choose from flexible in-house lawyers, paralegals, risk and compliance specialists, or legal ops experts - whatever your challenge, we have the right flexible talent for you.

We provide individual cover or teams of legal professionals, tailored to your needs on a fixed term or flexi basis.

Legal Secondments

Our legal and compliance professionals on secondment help you get more done without overloading your team. If you have a short term gap or need long term team and cost flexibility we have the perfect solution.

Managed Services

A natural extension of your team you can trust to 'get it done' with the in-house experience to smoothly take on your projects or BAU. Made up of expert in-house lawyers and paralegals with a custom blend of roles, expertise and seniority to match your needs.

For practical legal guidance on a fixed price or pay as you go basis, access Legal Advisory. Ideal for specialist work typically given to a law firm or for management of contracting peaks.

Direct Hire Placements

Talent experts can globally source the right candidate for your open role – reducing fill times and ensuring a great fit. After thoroughly understanding your needs, our agile teams leverage our extensive talent engagement programs to solve your talent goals.
